FOR GERMANY

Biblical Tours Germany

As a tour operator specializing in trips with a predominantly religious theme, we have been satisfying the needs of our customers for more than 40 years. Founded in 1962 in Stuttgart, Biblical Tours – the official tour operator of the German Catholic Bible Association and Protestant Bible Society – initially focused on study tours to the Holy Land on both banks of the river Jordan. Over the years, we have extended our list of destinations in response to requests from our customers and now operate in over 40 countries worldwide. One of the many countries where we provide services to our guests is our homeland, Germany. German history is rich with religious significance and demonstrates many aspects of human cultural development. If you are looking for a company where travel professionals and theologians work together, Biblical Tours is your partner.

Your Partner for Germany

Whether you are interested in tours in the footsteps of Martin Luther and the Reformation, Dietrich Bonhoeffer, Jewish life in Germany (past and present), as well as highlights of Romanesque and Gothic architecture, the natural beauty of the Alps, romantic rivers and castles, the old Hanseatic cities: Germany has much to offer and it would be our pleasure to be your host.

From May to September 2010, the Bavarian village of Oberammergau will stage its world famous Passion Play for the 41st time since 1634. We can arrange for your group to visit this village at the foot of the Alps and experience this truly unique event.

When you organize your tour with us, you can expect much more than a professional service: thanks to our excellent contacts with parishes and public organizations, we can provide high-profile partners for your group to meet for discussions and in-depth information about your particular subject of interest. For more information, please contact us – we are looking forward to working with you.

History

The first tour organized by the Catholic Bible Association in 1962 visited Lebanon, Syria, Jordan, and Israel. In 1971, the directors of the Catholic Bible Association and the German Bible Society, along with members of other religious organizations, founded the “Ökumenischer Arbeitskreis für Biblische Reisen e.V.” (Ecumenical Working Committee for Biblical Tours). By doing so, they established Biblical Tours as a limited company. Since then, the Ecumenical Working Committee has been the sole partner. Profits that are not allocated to reserves flow to the Committee and may be used exclusively for the purpose of improving the tours. As such, the Bible Associations are thus the supporting organizations for Biblical Tours. They regard the tours that it offers as the perfect complement to their own work, which includes promoting understanding of the bible.

Today ...

Nowadays, Biblical Tours offers not just tours to the “Countries of the Bible”, but also to “Historical Sites of Christianity” and the “World of Religions”. Wherever our tours take us, we always try to look at the world from a biblical viewpoint: Wherever vestiges of truth behind all things are revealed ... Every year, we look after around 25,000 guests on our tours.

Diodos

In the form of a diodos, our company logo represents two paths – two paths that come together under the pages of an open book. In addition, it conjures up images of a bird in flight. On the one hand, we make reference to the ecumenical movement of the Churches as they meet “under” the Word of God. And on the other hand, we point out the importance of travel as a means to a greater understanding of God's Word.
